

YOU CAN MAKE A DIFFERENCE

Every day in Central Florida, women, children and even men are exploited by sex-traffickers, and remain trapped in slavery.

Mobilizing resources to end human trafficking in Central Florida.

THE PROBLEM

Currently, there is no overarching strategy to organize the fight, identify gaps in critical areas, and provide funding to accelerate impact to eliminate human trafficking in Central Florida.

THE SOLUTION

SAFE in Central Florida exists to fight sex trafficking, by building an alliance of cause-focused partners, and educating and engaging cause-focused champions.

THE METHOD

For our partners on the front lines, we:

- Create safe space for collaboration & community
- Convene an advisory council to strategize solutions
- Provide funding

For champions of the cause, we:

- Raise awareness
- Provide education
- Create opportunities to engage

THE IMPACT

Prevention

Education and awareness to keep people from entering the sex industry

Intervention

Avenues for those who are being exploited

Restoration

Multi-faceted, victim-centered treatment to enable a healthy future

TOGETHER.

United in the fight
